

Montana Capital Partners AG (“mcp”) is a Swiss based investment boutique focusing on attractive niches of the global private equity secondary market as well as on high quality asset management solutions. Being one of the leading and fastest growing secondary players in Europe, mcp serves a broad range of blue chip institutional investors and family offices across its four investment programs with total assets under management of EUR 1.5 billion.

To further strengthen the team and to support the company’s growth, we are looking for

Associates and Analysts (100%) (m/f)

to join our international team of 20 highly qualified private equity professionals.

Role / Responsibilities

The roles cover all aspects of the investment process from sourcing to execution of private equity secondaries opportunities. Transactions are covered holistically by the Associates and Analysts as part of a deal team from the beginning to the end. The successful candidate will be working with the investment team to evaluate, structure and execute private equity secondaries transactions. A core focus of the role will be the analysis of new investment opportunities, including the creation of financial models and writing of Investment Memoranda. Tasks will include:

- Preparing detailed quantitative and qualitative analysis of potential private equity secondary transactions based on research and on-site visits
- Supporting the execution and structuring of new transactions
- Actively monitoring existing investments, including regular interaction with managers of underlying investments and valuation updates
- Working with the wider private equity team on deal sourcing, fundraising efforts, and other strategic initiatives of mcp

Essential experience

- Up to 4 years of relevant industry experience, ideally at a private equity secondaries firm, a private equity fund-of-funds, an investment bank, or in direct private equity investing for the Associate role
- Bachelor's degree from a top university

What we offer

- On-the-job training in one of the most dynamic teams in the private equity secondaries market
- Challenging career path in one of the fastest growing secondaries companies with potential for long-term advancement
- Opportunity to make an immediate impact as a deal team member and work in an entrepreneurial environment
- A fun and rewarding team atmosphere
- Competitive compensation

What we expect

- Strong analytical abilities and financial modelling skills, paired with a desire to learn and develop
- Excellent interpersonal and communications skills with an ability to work well as part of a team
- A highly disciplined and structured approach and good attention to detail
- Self-drive and motivation to get things done
- An ability to meet challenging deadlines while consistently delivering a high degree of quality and accuracy
- Excellent English (written and spoken); German is not required
