

Montana Capital Partners is looking to hire an **Intern** for our private equity activities to join our company for **five to six months** on a full-time basis. Start date of the position is flexible.

Montana Capital Partners AG (“mcp”) is a Swiss based investment boutique focusing on attractive niches of the global private equity secondary market as well as on high quality asset management solutions. Being one of the leading and fastest growing secondary players in Europe, mcp serves a broad range of blue chip institutional investors and family offices across its four investment programs with total assets under management of EUR 1.5 billion.

mcp is looking for a highly motivated intern to support us in the very interesting task of evaluating investment projects. As we have an extensive team approach, this internship will offer you a unique overview into the analysis of private equity funds in a highly energetic environment. The firm is on a dynamic growth path and this internship could offer long-term opportunities for you. If you are interested in team work and building your experience in private equity, we are looking forward to receiving your application.

Your tasks

This internship offers an attractive opportunity to work in the areas of investment and risk management of private equity fund investments. Tasks will include:

- Evaluation of fund investment opportunities on the secondary market
- Analysis of underlying companies and evaluation of their return and risk potential and support through the entire investment cycle
- Performance of quantitative analysis on fund managers’ investment performance, assistance in preparing written investment recommendations and risk management analysis

Our requirements

- BA/BS required: Economics, Accounting, Business or Finance preferred
- Experience in solving quantitative problems. Results oriented, well organized and work with considerable accurateness
- Teamwork is very important! This means being involved in the entire investment process in a very dynamic environment, but also the need for high motivation and own initiative
- Previous experiences in the financial sector are a plus
- Strong written and verbal communication in English (German would be a plus)

If you are interested to support us in building our young, innovative company within a dynamic and entrepreneurial team, then please send your complete application documents including CV and grade transcript to Simon Wickström, sw@mcp.eu, +41 78 706 01 69.

We are looking forward to receiving your application.
